

Early Years Foundation Stage Newsletter

Spring 1, Week 6

Reading at Home

Please continue to read as regularly as possible at home, all children are read with each week in school with various adults. Reading books will be changed when children finish their book or are able to read them confidently and fluently.

End of Spring 1

Where do the weeks go? Here we are at the end of the first half of Spring Term, meaning we are now halfway through the school year! We have had an extremely busy half term, and it has also been a half term full of bugs and chicken pox for lots of you. We are hoping that once the children have had a good rest over half term, we will have a much healthier half term.

BrightBites

On Wednesday morning, Vic from the Dental Charity, BrightBites visited us in school to present an interactive session about having 'Healthy Teeth for Life'. Vic told us lots of interesting things and gave us all our own toothbrush and toothpaste to try at home!

Lastly, we would like to thank you again for all of your support during another busy half term! We hope you have a lovely half term break with your families. We look forward to seeing you on Monday 24th February!

Thank you as always,
Miss Wade & Mrs Byrne
