Year 1 and 2 have returned to school enthusiastic and motivated to learn. We have started our new topics this week, and our knowledge organisers and curriculum plan can be found on our class webpage. We have been working on our place value and numbers, using numicon and other manipulatives to support our learning. In Design Technology we completed an investigation about our favourite fruit and vegetables, we have a very long list of fruits and vegetables, if you think of anymore please let us know!

Our history topic this half term is The Great Fire of London. The children were very interested to learn all about London in the 17th Century. They had lots of fun comparing London in the past and present day London.

Class Information

Spellings

The children have been given their spellings for this half term, these are also on the website. Please continue to support your child to find the spelling patterns and learn their spellings carefully.

Water bottles We encourage the children to bring a water bottle into school every day. Please make sure this is well labelled with your child's name.

PE Days this half term

PE will be on FRIDAYS this term. The children will be working with Alex on Friday mornings developing their striking and fielding skills. On Friday afternoons they will be completing a yoga course with Erin.
