

Year 1 and 2 Class Newsletter 7th February 2025

Year 1 and 2 visited church this week as part of our RE topic. We went to investigate the different features that we could see in St Elizabeth's. We talked to Father Godric about the stories we have read about Jesus teaching the Jewish leaders in the temple.

In Design Technology the children had lots of fun creating their own salads- some fruit salads, some vegetable salads and many mixed! The children had a lovely afternoon making their salads and we evaluated our designs and taste profiles.

In computing the children have continued our Maze Explorers topic. This week we have created online and offline challenges for each other.

They have created mazes using the 2Go program on purple mash. We also created offline challenges using our Beebots.

Class Information

Spellings The children have been given their spellings for this half term; these are also on the website. Please continue to support your child to find the spelling patterns and learn their spellings carefully.

Water bottles We encourage the children to bring a water bottle into school every day. Please make sure this is well labelled with your child's name.

PE Days this half term PE will be on FRIDAYS this term.

Reading, please continue to read regularly at home with the children. We are lucky to have some fantastic volunteers who come into school each week.

Internet Safety Day

11th February 2025 is Safer Internet Day, in school the children will undertake some additional lessons on online safety, relationships and staying safe.

We will be organising two drop-in sessions for parents on the 11th February, 3.30pm and 5.30pm. Each session will be about 45 minutes long and are designed to give you, as parents and carers, an update on the current trends, programs/apps available and how you can help and support your child to stay safe whilst accessing online platforms.

Parents are free to attend either of these two sessions, we look forward to seeing you there.
