

## What I will Learn:

\*I can explore the work and life of the artist Kandinsky and create a fact file with important facts and information.

\*I am able to discuss how artwork makes me feel and why.

\*I can create artwork in a similar style to Kandinsky.

\*I can explore creating work with circles in the style of Kandinsky in different ways.

## ART - Spring 1

### Printing

### Kandinsky

## Vocabulary:

Wassily Kandinsky - a Russian artist who painting in an abstract style and inspired other artists to paint with shapes and colours.

Colour mixing - to mix colours together to create different colours and shades

Primary colours - the three colours that can be used to create other colours (red, yellow, blue).

Secondary colours - the colours made from mixing the primary colours (orange, green, purple).

Shades - making colours darker or lighter using black or white.
