What I will Learn:

<u>Belonging to a community.</u>
*I can understand what is meant by a community and can see how I am part of a community.

*I can understand the rights that all children should have.

<u>How the internet is used</u>
*I can understand the different ways the internet can be used.

*I know some ways to stay safe when using the internet

<u>Money and Work</u>
*I can understand what is meant by stereotypes and think about how I think about jobs.

PSHE – Spring 1
Living in the Wider World

Vocabulary:

<u>Community</u> – the place where we live, work, go to school and the people who live there and help it to be a good place.

<u>Rights of children</u> – the things all children deserve to have so they are safe and happy.

<u>Internet</u> – The system that connects computers worldwide.

<u>Online safety</u> – the ways we keep safe when working online.

<u>Stereotype</u> – a judgement of people, jobs, beliefs that is often wrong.
