

What I will Learn:

*I can explore the work and life of the sculptor - Barbara Hepworth and create a fact file with important facts and information.

*I am able to discuss how sculpture makes me feel and why.

*I can explore different paper building techniques to be used in a sculpture.

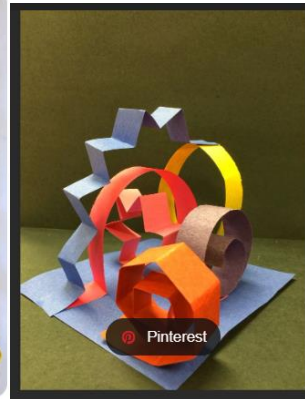

*I can create 3 D sculpture using different materials and different paper building techniques.

*I can work as part of a group to create larger sculptures using different card and paper materials.

ART - Summer 1

Sculpture

Barbara Hepworth

Vocabulary:

Barbara Hepworth - a British artist who created sculptures in different materials.

Paper building - to fold, cut and manipulate paper in different ways to create different shapes and structures.

Sculpture - the creation of 3D structures using different materials.
