

## What I will Learn:

- \*I can use artefacts to learn about life in the Stone Age.
- \*I have a chronological knowledge of the Stone Age and main events that occur in this time period.
- \*I can create cave style artwork after studying real life cave art.
- \*I understand homes, food and the daily lives in the Stone Age.
- \*I understand how sources can help us to understand life in Skara Brae in the Stone Age.
- \*I can compare life in the Stone Age to life today and ask questions about these comparisons.

## HISTORY - Summer 2

### Stone Age Life

### Skara Brae

## Vocabulary:

Artefact - an object made by a human. This can be used to tell us about how that human lived.

Stone Age - a prehistoric period when weapons and tools were made of stone.

Cave art - stone age artwork found on walls and ceilings of caves.

Skara Brae - a stone age village located in Scotland.

Compare - to look at two different periods of time and say what is similar and what is different.
