Class Information

We have had a super week in class, enjoying the beautiful weather and continuing to learn.

This week we have enjoyed lots of measuring in maths, all the children have been learning how to measure in cm using a ruler.

In English we have been continuing to read Paddington Bear, we will be watching clips from the film over the next few weeks, but not the whole video. We have been comparing the sections of text with the film. We found lots of differences!

In RE we continue to think about the gift of the Holy Spirit, considering how the disciples would have felt when they received the Holy Spirit at Pentecost.

Spellings

The children have been given their spellings for this term; these are also on the website. The children have been practising the spelling patterns within their phonics lessons throughout the week.

Sun Hats and Sun Cream

As we continue to be blessed with beautiful weather this week, please remember to **apply sun cream** to the children on sunny days and **send a named cap or hat** for them to wear at playtimes.

Water Bottles

Please also send a water bottle into school every day.
