

Year 1 and 2 Class Newsletter 9th May 2025

Important things to remember for next week

PE Days Thursday and Friday this half term.

Wednesday - Rugby Club after school 3.20pm – 4.00pm.

Class Information

Spellings

The children have been given their spellings for this term; these are also on the website. The children have been practising the spelling patterns within their phonics lessons throughout the week.

Sun Hats and Sun Cream

As we continue to be blessed with beautiful weather this week, please remember to **apply sun cream** to the children on sunny days and **send a named cap or hat** for them to wear at playtimes.

Water Bottles

Please also send a water bottle into school every day.

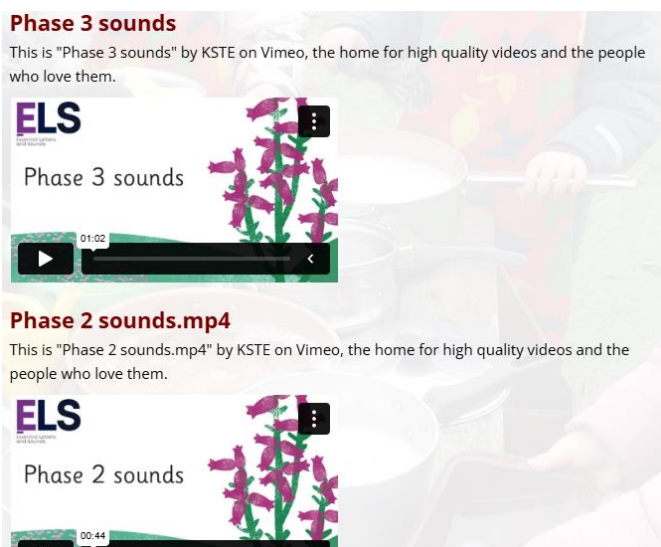

Phonics

A little reminder that Year 1 and 2 are working hard on their phonics, we have been using the phonics play website to support our class learning. There are lots of free resources available for parents and children on the website www.phonicsplay.co.uk

I have sent the Year 1 and children some phonics sound mats so that they can practise their phonics sounds at home.

While reading you can help your child by identifying the different phonics sounds they can find.

For further guidance you can find some phonics videos on our class web page.

This week in pictures:
