

What I will learn:

To know what houses from the past look like compared to modern houses.

To look at the similarities and differences we can see.

To sort artefacts from now and in the past.

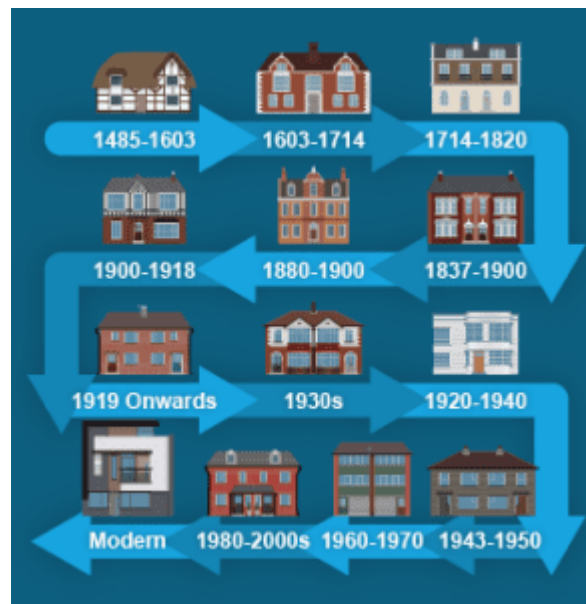

To guess the use of some old artefacts.

To recognise how household artefacts have changed over time.

Class 1 History Knowledge Organiser Autumn Term

How have homes changed over time?

Vocabulary:

Compare - to identify things that are similar or different

House - a building where you can live

Different - things that are not the same in any way

Same - things that are exactly alike or very similar

Roof - the very top of a building

Brick - a hard block used for building

Old
