

ARTIST STUDY
Conceptual Art - YAYOI
KUSAMA

Key Vocabulary

Abstract- art that does not try to represent a visual reality but instead uses shapes, forms, colours and marks to achieve its effect.

Dots- a small round mark or spot.

Complimentary - combining in such a way as to enhance or emphasize the qualities of each other or another.

Installation- an art installation is a three-dimensional visual artwork, often created for a specific place and designed to change the perception of space.

Infinity - an art infinity is an idea that something is unlimited, endless, without boundaries.

What I will learn:

- *To find out some facts about the artist Yayoi Kusama and the different styles she uses.
- *To find information on an artist, their life, artwork and techniques.
- *To use a variety of different objects to experiment with printing circles
- *To use different polka dots to create a printed picture in the style of Kusama (Pumpkins)
- *To explore colour mixing to create different colours and shades.
 - *To create a piece of self-portrait artwork similar to Kusama using her techniques.
